CONDITIONS OF BUS TRAVEL

Approval to use the bus:

All students require written approval from the Principal of NHS (or nominee) **BEFORE** using a DFE bus servicing a school in the Barossa Valley Area. Students must use the bus regularly to maintain eligibility to travel on the bus (ie. More than 50% of the time).

When a change of bus is required:

The DFE transport administrators at Nuriootpa High School reserve the right to change a student's bus in the event of a buses capacity being exceeded or a bus route being changed.

Bus Rules:

When travelling on the bus all school rules apply:

Use assigned seat and seatbelt (if fitted).

Students need to promptly follow the directions of the driver.

The whole of your body must remain within the bus i.e. no part of the body to protrude from the windows.

Nothing is to be thrown in or out of the bus.

Student behavior must be such that the bus driver can concentrate on driving safely.

Students must wait for the bus to become stationary before getting on or off the bus.

Only eat or drink on the bus if approved by the driver. Keep the bus free from litter.

Be at the bus stop at least 5 minutes before the scheduled departure.

All students must be seated whilst traveling and use the same seat throughout the year unless otherwise directed.

Please advise the driver if you wish to get off/on at a different stop temporarily and notify the school via a note in the student diary.

Use appropriate language at all times.

Be respectful when (and if) interacting with the public.

Avoid any damage to the bus or other student's property.

****Any repair costs due to vandalism to the bus, seats, seatbelts etc will be recovered from parents.**

Breaches of Rules:

Breaches of rules can result in detention or suspension from the bus.

Changing Buses:

If a student wishes to permanently change buses, a new application form is required.

The new place of residence will need to meet the required criteria for the student to remain eligible to use a DFE bus to their current school.

A Temporary Change:

If a student needs to change to an alternative bus route, then a note from the caregiver is required at least 24 hours before travel. A bus pass will be issued only if there is room on the bus.

Not using the Bus at night

If a student is not going home on the bus, the student must inform the bus driver in the morning.

Ceasing to use a bus:

If you no longer require the use of the bus service, please inform the transport coordinator at Nuriootpa High School.

Change of stop:

Any temporary change of stop requires a note to the bus driver. If the change is to be permanent, contact student transport coordinator at NHS requires notification who in turn will notify the driver/bus company
