Dear Parent/Carer.

The daily structure for school will change next year to accommodate an early closure for Staff professional learning. On Monday the finish of the day for students will be 2.40pm. Buses that do not have primary students as passengers will run at 2.45pm. Other buses will run at normal times.

We have arranged for a number of alternative runs to be undertaken at 2.45pm to accommodate as many students as possible to be transported home. Students that reside in areas not covered by these extra runs will be supervised in the Resource Centre with access to computing facilities until the normal 3.30pm bus runs.

Parents/carers may provide permission for their child to leave at 2.45pm if they have an alternative method of transport.

The arrangements for the bus runs will be as follows:
