Term 4 2019

Sarah's Update

Term 3 was a productive term at the FLC with a variety of different subjects and programs that have been offered to our students. Term 4 is shaping up to continue to be busy and successful. Our year 12 students are working hard to finalise their work for SACE submission.

One of the programs that has positive student involvement is the Anti-bullying Project, this program is being run in partnership with Youth Advisory Council South Australia (YACSA). This project has allowed different aged FLC students to take part and attend meetings and planning sessions to ensure that bullying is taken seriously. The program is continuing into this term with a meeting scheduled for Week 2.

In Term 3 there was a focus on developing students' understanding about sexual health and positive relationships with the support of case managers, teachers and SSO's. During Term 4, the Sammy D Foundation will be presenting a talk to the FLC students and staff about the effects of drug use. The FLC has also had an outreach counselling service from Streetlink available for interested students each fortnight, this will continue into Term 4.

We will be holding our open day on the 28th of November, more details to follow.

Save The Date—our annual FLC Celebration Night will be held on Wednesday 4th of December from 6pm in the St Petri Church Hall. Invitations will be sent out soon.

I would like to take this opportunity to wish all the very best to our students and staff as they come to the end of preparing their final tasks for SACE submission, and to our two year 12 students who will sit a Maths Exam.

I'm looking forward to another positive and productive term!

Sarah Afshin Pour, FLC Coordinator.

FLC News

John's Place

During Term 3 twelve of our students attended an accredited program on Tuesday afternoons at John's Place. The students were accompanied by Doreen, Donna and Dylan, and the group was able to restore our outdoor setting. This setting will be used by our students as the weather improves.

Defence Force Visit

Earlier in Term 3 we were lucky enough to have a visit from members of the Defence Force. Students were able to hear about the experiences of two current service people and find out information on the recruitment process.

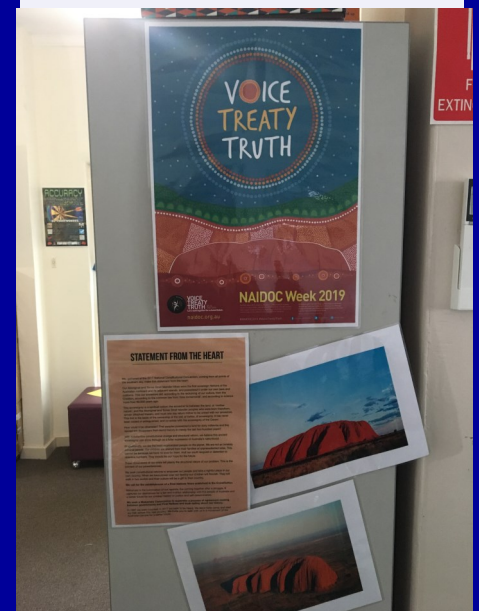

Cooking with Sarah

Term 3 saw Sarah holding cooking sessions with some of our students. Students and Staff enjoyed the results of these sessions. Dishes included were sweet potato and bacon slice, banana bread, pasta bake and yummy egg and bacon sandwiches.

Stage 2 Aboriginal Studies

A subject that has been introduced to the FLC in 2019 is Stage 2 Aboriginal Studies. Nine students have chosen to participate with expected completion during Term 4. Students have studied a range of topics including racism, deaths in custody, the Uluru Statement, reconciliation, indigenous languages, the stolen generation and resistance fighters.

FLC News

Thursday PE

Dylan, Doreen, Rose and an available teacher have taken out groups of around 10 students each Thursday afternoon to enjoy some outdoor games and sports at the Angaston oval. The staff and students have relished the opportunity to enjoy some beautiful, sunny afternoons outdoors. In Term 4 there will be two hiking trips, an aquatic excursion and a mixture of indoor and outdoor sports for students to gain accreditation and learning from.

Wellbeing Area

We are well on the way to completion of our new Wellbeing area, this new area is located at the rear of the shed and will provide an undercover space for students and staff to use. Students have been working with our awesome volunteer, John, to clear, pave and create the framework for the new roof. The space is expected to be finished during Term 4.

At the end of Term 3 we held a BBQ. John and Brayden did a great job of cooking this for our students and staff. It was a lovely way to end a tiring but rewarding term.
